Dear Kirsty,

Your commitment, honesty and student centered approach to your teaching makes you a role model for us all.

I have really enjoyed working with you and would like to wish you the very best going forward. I know that you will do everything in your power to make sure that the transition next year will be a successful one and that gives me great comfort.

Keep in touch with any significant life changes and I will try, probably pretty badly, to do the same!

All my very best to both.

Neil
